“COME AND SEE WHAT GOD HAS DONE... ...HOW AWESOME HIS WORKS IN MAN’S BEHALF!”

Psalm 66:5 invites us to see the work of God that brings benefit to man. The Lord reminded Jeanette of this scripture in March when John got aspiration pneumonia. After special prayers and anointing of oil, he was miraculously healed and permitted to travel with a team to Haiti where they witnessed many of the awesome works of God.

Taking the Gospel to the mountains of Haiti

In May the Lord again invited John and Jeanette to watch what He would do. Although this time healing was not

overnight, God did heal John’s body, this time through medical treatments. While staying in Atlanta, God used John to witness and encourage many people to know of Him and ‘His awesome works’.

He worked ‘in man’s behalf’ at the two most recent Across Festival crusades in Butler, and Seale, AL. Huge crowds were drawn by the Spirit of God to “The Tent”. It was ‘His awesome work’ to redeem the lives of more than 500 people as they received Jesus as

to Him. God brought unity to churches who have started new relationships working together for the Kingdom. Men and women, boys and girls are now being disciplined and learning how to grow in the Lord. He continues to do ‘awesome things’ for the good of man. Look to see what He is doing around you. Then you can Praise His Name and Give Him Glory!!

From the heart

Greetings my Faith Friends in the Lord!

In the beginning of the Apostle Paul's defense before King Agrippa we find these words he speaks: *"Why should it be thought **INCREDIBLE** by you that God raises the dead?"* The Greek word used here translated incredible is 'apistos' which means disbelieving, faithless, without faith. In the English language 'incredible' means impossible to believe, difficult to believe, beyond belief.

Please listen carefully: "What God does is BELIEVABLE!!!" Our God is mightily at work throughout the nations, and God is at work here in the United States! How do I know? I have seen and experienced His work and working around and in me. I know of His powerful Presence personally! What Jeanette has shared on the front page is all true! Two book studies have profoundly charted the course of my life: Master Life by Avery Willis and Experiencing God by Henry Blackaby. These studies came out

of personal experience and personal study of the Word of God in these two men's lives. They are two very real heroes of faith to me. I know that **'without Him I can do nothing'** and that if I follow Jesus' model in John 15: 20 (**"for the Father loves the Son, and shows Him all things that He Himself does; and will show Him greater works than these that you may marvel"**) that I will experience the unbelievable.

I **have** experienced the unbelievable this year in so many ways, and I want to encourage you look around and within yourself and see where the Father is at work. I then want to encourage you to join Him there and experience the impossible becoming possible! Again, hear me: "Our God is Mightily at work!" Please don't miss out! Thank you my Faith Friends for your past and continued prayers and support which enables us to continue joining Him in rescuing unbelievers with the unbelievable! It is all **TRUE!**

I love each of you with the love of the Lord and wish you a very Merry Christ-filled Christmas!

Blessings,

... John
